CO-LOCATED MEETINGS

The **Wireless Communications Alliance** meeting will host for the eighth year running its annual panel of wired-in investors discussing **"What's Hot (and What's Not) in Wireless."**

This newsworthy meeting will address trends in the wireless industry and identify the market segments that have the interest of the panelists (and those that do not). Separate \$10 fee required, payable at the door. Visit www.wca.org for additional information. January 17, 15:30-17:45

WIRELESS COMMUNICATIONS ALLIANCE

The **IEEE Santa Clara Valley Communications Society** (SCV ComSoc)

Monthly Meeting will be held Wednesday, January 17 from 18:15 - 20:45. For information visit www.comsocscv.org.

The **Homeland Defense Journal** and the WCA will host a one-day training conference entitled, "Mobile & Wireless Solutions for Homeland Security: Public Safety Emergency Communications Issues" on January 18.

For more information visit www.homelanddefensejournal.com
