…MORE THAN 100 SPEAKERS IN ALL!

COLLOCATED MEETINGS

The **WiMAX Forum** will host its Board of Directors meeting and semiannual Global Membership Meeting on Tuesday, January 11 followed by a networking reception. In addition, the WiMAX Forum Plenary on Wednesday, January 12 will feature Committee Chairperson overviews of current efforts in marketing, certification, technology and more! Visit **www.wimaxforum.org** for a full update.

The **Wireless Communications Alliance** meeting will host for the sixth year running its annual panel of wired-in investors discussing *"What's Hot (and What's Not) in Wireless."* This newsworthy meeting will address trends in the wireless industry and identify the market segments that have the interest of the panelists (and those that do not). Guy Kawasaki, President of Garage Technology Ventures, will moderate a panel that includes noted financial experts. Separate $10 fee required, payable at the door. Visit **www.wca.org** for additional information. January 12, 15:30-17:45

WIRELESS COMMUNICATIONS ALLIANCE

The **IEEE Santa Clara Valley Communicatrions Society** (SCV ComSoc) Monthly Meeting will be held Thursday, January 13 from 18:15 - 20:45. Featured speakers include Wei-Min Lu, Chapter Co-Chair, Prof.-Dr. Bernd Friedrichs, Chairman, ETSI BRAN & Radio Systems Engineering, Marconi ommunications GmbH (Germany) and Dr. Roger B. Marks, National Institute Of Standards And Technology (NIST), U.S. Department Of Commerce and Chair, IEEE 802.16 Working Group On Broadband Wireless Access. For information visit **www.comsocscv.org**.
